Addendum
CAMPBELL COUNTY SCHOOLS PAINTING – SUMMER 2021

A change to the specification for the exterior doors and handrails will be as follows.

Surface Preparation

Sand doors and handrails back to a stable substrate, removing any loose peeling paint and rust. Solvent clean to remove any surface contaminates.

Spot Prime

Spot prime any bare areas with Sherwin Williams Pro Industrial Pro Cryl Rust inhibitive primer

Finish

Two full coats of Sherwin Williams Pro Industrial Water based Alkyd Urethane.
