Everyday life is a learning experience for children. The Born Learning Academy helps parents, grandparents and caregivers explore ways to turn everyday moments into fun learning opportunities, children ages 0-5.

Families must live in the Campbell Co. School District.

The Five Key Ideas

1. Take care of yourself.
2. Provide a warm and loving environment.
3. Talk, sing and read with your child.
4. Create a predictable world for your child.
5. Understand and respond to your child’s needs.
