Interested in Summer Tutoring?

Jenny Cassady will be tutoring using the Barton Reading and Spelling System from June 4th - August 3rd.

The Barton System is a one-on-one tutoring program that will greatly improve children’s reading, spelling, and writing skills.

This program will improve:
- Slow, choppy, inaccurate reading
- Dysgraphia (slow, non-automatic handwriting that is difficult to read)
- Letter reversals
- Poor spelling
- Difficulty remembering sight words

It is recommended that students are tutored with the Barton System at least twice per week, but the more the better! Days and times can be scheduled so sessions are convenient for you.

Rate: $25/hour
