Monday –

Tuesday –

Wednesday –

Thursday –

Friday – Girls on the Run registration opens for Grade 4 and 5 girls

PRINCIPAL MESSAGE

Hi Parents,

Our 4th and 5th grade girls and boys took part in an assembly today to learn about Girls on the Run and Let Me Run. Both of these programs allow kids to train to run a 5K. Girls on the Run holds their own 5K and Let Me Run completes the Flying Pig 5K. Campbell Ridge has been a leader with both of these programs and was among the first in our area to offer them.

As our students train for their 5K, they do a lot of fun games and discuss some important character traits and healthy habits. You can learn more about [Girls on the Run](#) and [Let Me Run](#) by clicking on the link. Girls on the Run is open for sign-ups now and Let Me Run will open for sing-ups on Feb. 7th. You can email [Mrs. Sterling](#) for questions about GOTR and [Mr. Mazzei](#) for questions about LMR.

Morning Drop-off Reminder – please do not pass cars that are unloading during the morning drop-off. It is often still fairly dark, there are many crossing the street at the crosswalk, and sometimes students get out on the street side of the car. On another note – parents, please do not load and unload on the street side of your car. The safest route is always to get out on the sidewalk side. THANK YOU!

The NKY Department of Health has updated their guidance for COVID-19 protocols in schools. See below for details. It has been a rough few weeks since we returned from the winter break. Our quarantines have jumped dramatically. Exposures across the community have increased and as a result, more of

Grow our students in a safe and healthy environment where they are engaged in academic and personal growth

Register a new student [HERE](#)

our students are having exposures as well. If you want your child to be in school more, and miss fewer days, your best bet is to get them vaccinated and sign up for the Test to Stay program.

Find out about COVID vaccines for youth ages 5-11 [HERE](#).

Did you see Dr. Rust's Thursday Update for parents? If not, you can find it [HERE](#).

Thank you, Mr. Mazzei

All-Pro Dads

Thank you to all of our dads that made it this week for breakfast with your kids. Our next meet is February 10th, we hope to see you.

You can RSVP to attend All-Pro Dads [HERE](#)

Test to Stay

The Test to Stay program has already made a difference in our students' learning. Students that need to quarantine may be able to remain at school after being tested during their quarantine. Check the links below for more information.

Test To Stay Program:

[Enrollment Link](#)

Parents must bring their child to school the morning after a close contact. If the student test negative, they may ride the bus home. The student may continue to ride the bus to and from school after the first negative unless they happen to test positive. Any student that tests positive must be picked up from school by the parent/guardian.

Nurse Lloyd says....

Parents/Guardians,

Please call me if your child has any COVID symptoms.

All medications must be brought directly to the Nurse Office. Please do not send medication to school with your child to give to the teacher. The medication needs to be counted and the parent needs to initial how much of a medication they are

dropping off to maintain chain of custody of these controlled substances.

Thank you, *Suellyn Lloyd*

CRES PTO

News from our PTO....

YARD SIGNS FOR SPECIAL OCCASIONS! Our PTO has a very cool new fundraiser for this year. You can order a custom-made yard sign celebrating a birthday, new adoption, or other special occasions. Get your order form [HERE](#) or by sending an email to crespto21@gmail.com

Did you know that your PTO is on Facebook? Check us out [HERE](#).

BoxTops for Education -

<https://www.boxtops4education.com/> - Have you checked out how easy BoxTops is now? Create an account, download the mobile app, scan your grocery receipt, that's it. Our PTO earns 10 cents for every boxtop – what could be easier than that?

Kroger Rewards – Do you have your card set up to benefit Campbell Ridge? If not, you can do that here, <https://www.kroger.com>

Policy Corner

New feature in the parent email! I'm going to share our SBDM Council policies here with a bit of context and an easy access link to all our policies for your consideration.

Each month our SBDM Council reviews a different policy to determine if any changes or updates are needed and to make any needed revisions. In November, Council reviewed one of our policies that we are legally required to have. The Parent Involvement policy provides guidance to our school regarding our commitments to families, but also our families' commitment to their children's education. This policy is a legal requirement and a part of federal Title 1 legislation. Campbell Ridge has a schoolwide Title 1 program.

Find the SBDM Council policies [HERE](#).

Upcoming Events

- Jan 31 - SBDM - 5:30
- Feb 7 – Let Me Run registration opens for Grade 4 and 5 boys
- Feb 10 – All Pro Dads, 7:30am
- Feb 11 - Spelling Bee, 1:30
- Feb 11 – Family Resource Center Give & Get
- Feb 11 – Grade 1 to the Children’s Theater
- Feb 25 – Cincinnati Children’s Theater to visit CRES

Because we have universal masking (consistent and correct use of a well-fitting mask) at CRES, we follow these guidelines:

Exposed to COVID-19 IN school:

- Do not need to quarantine if there are NO symptoms, recommended to get a test 5-7 days after the exposure
- Can do Test-to-Stay if no symptoms

Exposed to COVID-19 OUTSIDE of school:

You must quarantine if

- you have NOT completed a primary COVID-19 vaccine series, or it has been less than 14 days since you received the vaccine,
- you are over 18 and are not up-to-date with your vaccine schedule
- Can do Test-to-Stay if no symptoms

A quarantine may end when:

- after 5 days (last day of exposure is day 0) if **symptom-free**, gets a **negative COVID-19 test on day 5 or later**, and is able to **consistently wear a well-fitting mask for 10 days** (including recess and PE class)

You do not need to quarantine if:

- you are not having any symptoms (should still test on day 5 or later),
- 5-17 years of age and have completed a primary COVID_19 vaccine series more than 14 days before the exposure,
- 18 years of age and older and are up-to-date with a primary COVID-19 vaccine series more than 14 days before the exposure,
- You have had a documented case of COVID-19 in the 3 months prior to the exposure

The following local business have been great supporters of Campbell Ridge during our Walk-a-Thon. Show them your support and let them know you saw them here!
