**Principal Message**

Hey Dad’s, if you have not made it to an All-Pro Dad’s meeting yet this year, you are running out of time. On Weds., April 10th at 7:30am, you will have your chance. You can register [here](#). We meet until about 8:15, with your kids for breakfast and talk. That’s it, it’s easy, see you on the 10th!

I have attached a letter below from the Leukemia and Lymphoma Society thanking our students for their participation in the Pennies for Patients program. Campbell Ridge takes part in two service learning projects each year and I could not be more proud of our students for engaging with their community and supporting other children.

It’s Election Season! Our PTO and the SBDM Council are both looking for new and returning parents to join. We will be holding Site Based Decision Making Council and PTO Officer elections on April 19th, 2019 all day at school, the same day as our Walk-A-Thon. If you or someone you know would be interested in running for SBDM or any PTO Officer positions please email [Carriejaggers@gmail.com](mailto:Carriejaggers@gmail.com) to let her know. Please specify if you want to run for SBDM or for any PTO Officer position and if for PTO please specify which office(s) you would be interested in running for. You can place your name on the ballot for more than one PTO office but would only be elected to one position. There are 4 offices for PTO that will be filled: President, Vice President, Treasurer, and Secretary. There will be 2 SBDM positions filled. If you have any questions please let Carrie know. We will take nominations through Monday, April 8th, 2019. Thanks in advance!

The CRES Walk-a-Thon is coming up on April 19th. If you have a business that would like to be a sponsor, you can access a letter that
**explains it all here.** Sponsors receive a business sign that remains on the baseball backstop all year. It’s great advertising for a small price.

The CRES Walk-a-Thon is our only and major fundraiser for the year. We ask that every student find 2 sponsors who will support them with a $10 pledge. Students will walk on the Fit-Trail on the 19th for 45 minutes to an hour and are encouraged to see how many laps they can do in that time. Funds from the Walk-a-Thon are used during the year to support technology (40 new Chromebooks and 40 new iPads this year), science supplies, field trips, assemblies, and student groups and clubs. This is an important source of funds for Campbell Ridge and allows us to go above and beyond in so many important ways.

**Kroger Cards**

Is your Kroger card set up so that your beneficiary is Campbell Ridge? If not, [go here](#), and take a minute to set it up.

These funds help the PTO to be able to provide many of the exciting programs that you’ve read about on this page throughout the year. The nice thing is that this fundraiser does not require any volunteers or setting up or tearing down. Please take a minute and register your Kroger card to Campbell Ridge.

Campbell Ridge Elementary School

Dear Britney Wiener

Congratulations! Campbell Ridge Elementary School has officially completed its Pennies for Patients campaign, and we couldn’t be more grateful to you and your entire school community for your outstanding efforts. Thanks to you, our Hero Squad is one step closer to accomplishing our mission: a world without blood cancers.

The money you collected will fund important cancer research and local patient services – both vital to the fight against blood cancers. Now more than ever, our patients are relying on our support to cover the cost of care. In the past year, we have doubled the number of patients assisted through our patient financial aid grants. Thanks to your school community, we can continue to meet the demand for this, and other patient services. Your students are truly a key part of our patient support system. Your school’s generosity does make a difference!

Please pass along our deepest appreciation to your students and faculty. Your hard work and dedication are truly inspiring.

Gratefully,

KATIE WARRENSFORD | Vice President, Student Series
