**Principal Message**

KPREP testing for students in grades 3, 4, and 5 takes place this week. We are encouraging our students to SHINE on KPREP! We encourage our students to do their best by giving all their effort, persevering, answering all parts of all questions, and being proud of their hard work no matter the outcome. We look forward to KPREP because we know we have the best students and teachers and this opportunity to show what we know is no big deal for us, we do this every day! Give your kids a head start with a good night’s sleep, a good breakfast, and your words of encouragement.

Our Let Me Run Spring 2019 team ran in the Flying Pig 5K this past weekend. This has been a great group of boys. They all improved their times and finished the 5K. CRES is so proud of these boys. Fall season 2019 is right around the corner. If your 4th or 5th grade boy has not taken part in Let Me Run yet, you may want to consider this for next Fall.
Our SBDM Council meeting for this week has been postponed to Thursday, May 16th at 5:30.

**Kroger Cards**

Is your Kroger card set up so that your beneficiary is Campbell Ridge? If not, [go here](#), and take a minute to set it up.

These funds help the PTO to be able to provide many of the exciting programs that you’ve read about on this page throughout the year. The nice thing is that this fundraiser does not require any volunteers or setting up or tearing down. Please take a minute and register your Kroger card to Campbell Ridge.
