Sports Corner

This weekend we are looking forward to youth basketball championships. Make sure you come and check it out! Good luck Comets!

Golden Comets in Art

During the month of February the most Golden Comets in Art goes to Mrs. Della Bella’s class in 1st grade and Mrs. Jump’s class in 2nd grade. We are so proud of you!

Events in March

- Let Me Run and Fitness Club is starting—so LET ME RUN!
- Read Across America Week
- Dr. Seuss’ Day in the Cafe
- 5th Grade NKU Field Trip
- Morning with Mom
- 3rd Grade Musical

HOT OFF THE PRESS!
Valentine’s Day Dance
By Bella S. & Reese R.

Valentine’s Day kicked off this year with an exciting dance on February 8th. There were cookies, drinks, and songs. Join us next year for an even more exciting dance! We rocked out with the Whip and Naenae, Baby Shark, Uptown Funk, and Cha Cha Slide. There were chocolate chip cookies which were greatly enjoyed and very delicious! Valentines day was a blast!

4th vs. 5th Grade Basketball Game

Here are some pictures from the very exciting 4th grade vs. 5th grade basketball game! Great job everyone!
Great job Averie! If you would like to have your artwork featured in our next newspaper please submit your pieces to Mrs. Stam.
Fun in February

By Reese R.

Hi, CRES! Some exciting things have been happening lately, and we have a couple of things to share. 1st grade has been having a blast with Valentine’s Day, parties, and plays. Tune in for some excitement.

On February 19th, 1st grade went to Taft Theater to see the musical “The Jungle Book”. 4th grader Jensen B. played “In the Jungle” on the ukulele as a “goodbye” and “have fun” song to 1st grade. Thank you Jensen! Several other things will be happening soon with 1st grade, including the 120 days of school party, where they will be using the “counting by 10s” 1st grade standard to celebrate. They will be counting and doing fun activities. We hope you have fun 1st grade!

5th grade has been learning interesting things, too. Middle school students came to discuss 6th grade schedules recently, and in March they will be going to Northern Kentucky University to talk about Higher Education. They will discuss what college is like, how to get scholarships, and the careers college offers. Lunch in the real NKU cafe, tours of the campus, and so much more! 5th graders, we hope you have the time of your life!! You will hear more about this in March.

We hope your Comets are learning, and prospering. 1st and 5th grade will have fun, and you can too! If you want to tell the newspaper club about your fun, put your letter or article in Mrs. Waters’ mailbox with “Reese Roedersheimer” on it.

Thank you!
