

Campbell County Area Technology Center

909 Camel Crossing, Alexandria, KY 41001
Telephone: (859) 635-4101 FAX: (859) 635-2766

Campbell County Area Technology Center is designed to give students in the surrounding districts of Bellevue, Campbell, Dayton, Highlands, Bishop Brossart, and Pendleton specialized training in the field in which they choose for a career pathway. Our goal is to prepare our students for success by working to become career ready upon graduation.

Instructions:

To increase the opportunity for admission to the CCATC all sections of this application must be completed and submitted to your high school counselor. **Your school counselor will then forward your application, transcript of grades, attendance, and other information to CCATC.** Admission into our programs will be determined by the local school district and in some cases by a committee at CCATC. Each of the six feeder schools will have a pre-determined number of seats available in each program based on each school's enrollment.
