FROM THE NEST ...

Principal's Notes

Winter is upon us! At this time, we have acquired two snow days. These days will be added to the end of the academic calendar. Please contact our office if you are not receiving the district automated phone call regarding delays and school closings.

Along with winter weather comes cold and flu season. We will be promoting student awareness as it pertains to staying healthy through the winter months. We have been encouraging students to wash their hands regularly along with taking appropriate steps to prevent the spread of germs if they have a cough or cold. You may want to revisit these tips for staying healthy with your child.

Early this month we participated in a restaurant fundraiser with City Barbeque. We are still awaiting the total amount raised but we want to say thank you for your generosity! Money raised will go back to student clubs and activities. We would also like to say thank you for another successful Winter Arts Festival! We had a great performance from our Ukulele Club and the classroom baskets provided for the school raffle were amazing and they were a tremendous hit! Thank you to our Parent Involvement Team, GLE Staff and our volunteers!

As always, we thank you for your support at home as we work together to help our students reach new heights in their education! Please continue to take time to regularly check in with your child about what he/she is learning in the classroom. Goal setting at home and at school is a great way to increase overall performance! Please continue to prime your student with encouragement and support from home each day!

With Cardinal Pride,

Dave Enzweiler

Counselor's Corner

We wrapped up January with Kindness week at GLE! Students completed as many acts of Kindness as they could off their Great Kindness Challenge checklist, and boy did we see some great things happening! In February, our new 3rd grade student brokers are going to be introducing themselves to each classroom and explaining their new role in our school. These six 3rd grade students were selected and trained to be student representatives that will help keep GLE a safe, happy school. They will be putting together ideas to spread the word on how to keep bullying and the bystander effect out of Grants Lick Elementary. We cannot wait to get to work with our new “Bully Busters” group!

What we did in January:

We finished our basketball unit after Winter break. Team challenges have been incorporated into our January activities where we demonstrate the ability to work well with others, good sportsmanship and fair play. We are focused on fitness activities and talked about setting fitness goals in physical education.

P.E. Snapshots!

5 Tips for Family Fitness Fun by NASPE

- Use physical activity as a reward (family goes skating or hiking).
- Create an inside scavenger hunt on a snowy day that takes your children to all the different rooms and levels in your home.
- Keep fresh fruit and vegetable washed, chilled, and ready for snacking.
- Pack a lunch that includes whole grains, fruits, and vegetables.
- Play upbeat music while you twist and shake through your daily chores.
MUSIC NEWS

K– We began exploring loud and soft sounds. Ask your child to sing “Grizzly Bear” for you. We also learned about African music.

1st– We learned about music from Ghana and played an African stone passing game to “Obwisana.”

2nd– We are learning how to identify high and low sounds. Students created pitch exploration cards and performed “Star Light, Star Bright” on the mallet instruments.

3rd– Students created and performed a piece using body percussion.

4th– Students have been working hard to earn their yellow and orange belts for recorder karate.

5th– We are learning how to play a piece on the mallet instruments.

ART NEWS

Kindergarten– We are making African lion portraits.

1st Grade– After learning about African animals we are making giraffe self portraits.

2nd and 3rd Grade– We made snowmen at night from various perspectives. Students used pastels to make their snowmen.

4th and 5th Grade– Students are working on their kaleidoscope snowflakes.

Thanks to everyone who came out to the winter arts festival! I hope you enjoyed all of the artwork displayed in the cafeteria and the ukulele performances! Great job ukulele club! Special thanks to Mr. Little for bringing out a great team of band students to share instruments at the Instrument Zoo.
ABC’S OF PARENTING PROGRAM

Join the Campbell County Schools Family Resource Centers and Families in Transition Center for a 5-week program that emphasizes collaboration with schools, and helps improve family involvement in your child’s educational experience.

This program will be held at the Alexandria Educational Center (AEC) from 6:00 PM – 8:00 PM on the following dates:

February 6, 13, 20, 27 and March 6th

For parents with their children in grades K-3. Children are in a separate group from parents but learn in a fun way the same topics: appropriate expectations, self-worth, empathy, needs, self-esteem, positive and negative labels, family morals, values, rules, helping children with their behavior.

To register please complete and return the form to your schools Family Resource Coordinator. Questions? Contact Ms. Hertzenberg at the phone number listed below.
